Subject: Next Coordinating Committee Meeting - Scheduled for Wednesday, April 13th, 2005 at 10:00a.m. in Madison

Hi Folks,

In trying to meet most of everyone's schedules, the date for the next Coordinating Committee is scheduled for Wednesday, April 13, 2005, 10:00a.m. at WisDOT District One Headquarters on Madison's north side. Please reserve this date and time on your schedules and look for an agenda in the mail coming soon. The meeting shall be over by noon.

I am currently working on inviting a guest speaker to talk to everyone about a pertinent issue impacting our industry. And, if anyone would like to request an agenda item, please let me know. I won't send out the agenda until first week in April. With the presence of a guest speaker and other topics to talk about, I am looking forward to a productive meeting. Hope to see you there.

P.S. Although the Coordinating Committee has appointed members to it from their respective transit commission boards, these meetings are open to anyone interested in coming. Thank you.
